MASH COUNTY FELLOWSHIP

APRIL 2007

Where we stand at the moment

The new look executive committee:-

Chairman	Mike (Del) Hales
Secretary	Catherine Austin
Treasurer	Neil warren
Recruitment	Neil Guyett
Events co-ordinator	Stuart Austin

We currently have 35 people on the books with 18 of those paying their capitation elsewhere. For those of you that don't have a CRB I'm currently speaking to county as to how we get these done and confirming the frequency of renewal.

With regards to recruitment, Neil is currently starting to put some ideas into place. These include advertising at MAD weekend and having a pay as you go mobile phone contact. One of the things that he will be doing is asking all new members for their skills set and what jobs they would be interested in for Jambo etc. Hopefully this will aid retention and can be used to build on for the future.

Branding

We are looking for our own brand / identity. It has been suggested that we use the original '84th MASH' design, however if anyone wants to design a logo please feel free and let us see it. If you design the logo that will be used we will give you a free t-shirt! (framed and signed by all!)

Charging for our services

We have talked round this a great deal. We are / were the only support team not charging for our services. Hence it has been decided that MASH will charge £1 per head if we are not providing equipment and £1.50 if we provide loo roll and cleaning products.

Forthcoming events

AGM- need to have one! Date to be advised.

Work Weekend at Kirby (*tidying of containers etc.*) Scheduled for **28-29th April 2007** (*short notice I know*)

MAD weekend- 24th June 2007 at Westcliff rugby club. They want us to do bins and toilets. They will be using the rugby club showers that are all male so have asked for a partition to be built.

World Jamboree

We have been asked to assist in the build for the world jamboree. We are suggesting going weekend **6, 7 8th July 2007**. The idea would be we arrive on site Friday night ready to start work Saturday morning. Please let us know if you are available. If you can help at other weekends or individual days please let the world Jambo team know.

Pull out. There may be the potential to acquire world jamboree equipment for use at our future events. Therefore we are proposing to assist in their mammoth task and attend **11th 12th August 2007** (arriving 10th)

Please let us know if able to attend any of the above events on our new email address.

County Review.

For those of you who don't know, county is currently holding a review of county teams. As to how, when and results and impact, we'll keep you informed. We are still waiting for someone to contact us.
